

Free Distribution

OWP focuses on quality readership. As a free publication, OWP is distributed to places where wine enthusiasts do their shopping—tasting rooms, wine shops, fine grocers. We also distribute to many tourist stops, including chambers of commerce, hotels, as well as other fine places. Many out-of-state and in-state readers subscribe for convenience. Below is a sampling of OWP’s distribution points, **more than 750 locations total.**
